

NR 445 TECHNICAL ADVISORY GROUP MEETING 4
MAY 25, 2000 9:30 AM
ROOM 027. GEF 2
101 SOUTH Webster Street, Madison

9:30 Welcome/Introductions/Agenda Review

- Review Meeting Notes
- Review Meeting Agenda

9:45 Report from Health Sub-Group

- Caryl Terrell, Sierra Club or Liz Wessel, Environmental Policy Consultant

10:00 Report from Modeling Sub-Group

Purpose: To present and discuss modeling protocol proposal. The modeling protocol may be revised following TAG discussion.

- John Roth, DNR Atmospheric Dispersion Modeler

Materials:

Toxic Modeling Sub-Group memo (5/17/2000)

10:45 Proposals for demonstrating compliance with Threshold Levels in NR 445

Purpose: To discuss proposals for Acute Toxics and Carcinogens. The proposals may be revised following the TAG discussions.

- Proposal for Threshold Levels for Acute Toxics (Tables 1,2,and 4)
 - Mark Steinberg for Ty Stocksdale, SC Johnson
- Discussion of proposal for compliance demonstration alternatives for Carcinogens (Table 3) (Note: This proposal was presented to the TAG at the April 2000 meeting)
 - Andy Stewart, DNR Air Management Engineer

Materials:

Proposal for DeMinimis Levels for Acute Toxics (T. Stocksdale: 5/10/2000)

Setting Threshold levels in NR 445: April 2000 Presentation by Jeff Myers, DNR

11:30 Decision Criteria for Setting Threshold Levels in NR 438

Purpose: To discuss May 2000 Proposal for Decision Rules for Emission Inventory Threshold Levels. This proposal includes setting reporting thresholds of 10 pounds/year for 7 Great Lake Chemicals without TLVs and reporting thresholds of 100,000 pounds/year for 14 chemicals with TLVs >99ppm. Proposal may be modified based on TAG discussion.

- Andy Stewart, DNR Air Management Engineer

Materials:

Decision Rules for Emissions Inventory Threshold (May 2000)

12:30 Lunch

1:30 Discussion of methods to streamline NR 445 and make it more efficient

Purpose: To obtain ideas and suggestions from TAG members on ways that NR 445 (both the existing rule and the proposals under discussion) could be drafted to achieve efficiencies and clarity.

- Darin Harris, DNR Facilitator

3:00 Other Business

- **Addition to TAG Charge**

Secretary Meyer has requested that the TAG provide advice to the Department on a process for updating NR 445 on a regular basis.

- **Next Meetings**
- **Other Items**

3:30 Adjourn
